

## Image Translation using GANs

Hello:

You are invited to participate in our survey [Image Translations Using GANs](#).

It will take approximately **4 minutes to complete** the questionnaire.

All of these images are computer generated and do not exist in real life. The goal of this survey is to use human perception to decide which network performs better.

Your participation in this study is completely voluntary. There are no foreseeable risks associated with this project. However, if you feel uncomfortable answering any questions, you can withdraw from the survey at any point. It is very important for us to learn your opinions.

Your survey responses will be strictly confidential and data from this research will be reported only in the aggregate. Your provided information will be coded and will remain confidential according to German Data Privacy Laws.

Thank you very much for your time and support. Please start with the survey now by clicking on the Continue button below.
